PROPOSED ROOF PLAN
SCALE 1:100

KEY PLAN

DCC PLAN NO 4951/22
RECEIVED :29/09/2022

Symbol Key

- Proposed demolitions of modern fabric
- Proposed demolitions of historic fabric
- Proposed demolitions of historic fabric
- Existing structure
- Site subject to planning application
- Adjacent land in Applicants Ownership

GENERAL NOTES:

Flashing: All lead flashings to roof/val junction to be inspected and repaired/replaced. All lead repair works to be carried out by a competent and experienced sub contractor, and all lead work to be in accordance with LSA guidelines.

Existing roof slates - damaged slates to be repaired and replaced to match existing where necessary. The structural integrity of secondary support structure will be investigated and upgraded as required with minimal impact to the historic fabric of the building. Any new interventions will be executed in modern materials making them clearly identifiable as modern insertions. All slates will be removed and carefully stored for the duration of these works.

Existing Asphalt roof:
